Our plan is to enter J.V. and varsity teams in the GIL Co-Ed Volleyball League. All children who wish to participate on the team in a more competitive environment will have the opportunity to do so.

Children who are unsure at this time whether they are interested in playing on the team are still invited to sign up and come to practices to learn the sport.

Practices will begin in early September. Please have your registration forms into SCS by the first day of school.

Registration fee: 40.00
