
PARKING LOT PROCEDURES

Since the safety of the children is our
main concern, I ask that everyone
re-familiarize themselves with the procedure and give us
your cooperation.

Diagrams are enclosed for both the morning drop-off
and afternoon pick-up of the students.

Cars ARE NOT to leave the parking lot until an all clear signal has been given.

If students are not picked up in
the parking lot at dismissal, they will
be taken back to school and placed in our Aftercare Program.

There is a fee for this service.

STUDENTS MAY NOT BE PICKED UP OR DROPPED

OFF ON E. BRADFORD AVE.

Thank you for your
total cooperation with regard to this matter.

STEPS TO SCHOOL

1. Pull in lot from Pompton Ave & park as directed.
2. Turn off engine – no one leaves until signal is given.
3. The social aspect of caring for our children in SCS is a very important part of our success. But, some people have very legitimate reasons to be in a hurry. Let's be considerate and not hold up the whole system.
4. All cars are to turn right when exiting the parking lot.
