

Summer Reading - 2024

(for students entering 3rd grade)

Dear Parents and students,

Each student **is** required **to** read a minimum of **five books** this summer and complete a book review for each (attached). Additionally, they should read a minimum of 20 minutes a day for 50 days and record it in their Summer Reading Log booklet.

Some suggested book series **are** listed below. Students **do not** have to choose from this list. There **are** so many wonderful books. It is most important that **your** child reads books they *want* to **read**, and can do so independently. Encourage your child to **try** different genres to enhance their summer reading experience.

Simply record all of the books read this summer in the **Summer Reading Log** (attached). **The Summer Reading Log booklet should be signed by a parent and returned to me along with FIVE completed Book Reviews (attached), on the first day of school in September.** Each student should also complete the assigned IXL's for Math.

Have a great summer and enjoy your summer reading! See you in September!

Sincerely,

Mrs. Lebet
